

CHAT UPDATE 3

Public Consultation re proposed development at the rear of Green Park Way.

Despite many persistent attempts by the Chillington Housing Action Team(CHAT) to get Acorn Properties to hold their Public Consultation at Chillington village hall including providing four Saturday dates in October they have chosen Stokenham Parish Hall. This consultation will take place on Monday 12th October between the hours of 2.00pm to 8.00pm.

“Acorn properties approached our village hall but despite their best attempts Acorn Properties had already booked Stokenham.”

CHAT advised Acorn about the parking issues at this venue around school close time and at the request of CHAT 2/3 parking places will be reserved during the consultation in front of the hall for our less able villagers. CHAT will be able to provide a limited “Taxi” service to this event if any of our villagers have no access to transport or have serious mobility issues and wish to attend.

Please contact CHAT on 07875-536843(Paul Farrier) to arrange this.

CHAT encourages Chillington residents to attend this Public Consultation Day on a “Look and Listen” basis to see and hear exactly what is being proposed. As always, feedback on any Acorn Property pledges / promises would be appreciated.
