

**CHAT UPDATE NUMBER 04**

**CHAT RESPONSE TO THE ACORN PROPERTIES  
PUBLIC CONSULTATION DAY**

HELD AT STOKENHAM VILLAGE HALL ON 12 OCTOBER 2015

CHAT is going to respond to Acorn Property Group regarding their Public Consultation Day in the Wesley Smith room at Stokenham Village Hall on the 12th October 2015, which so many of the Chillington residents attended.

It would be useful if some brief comments on how you thought the day went and what you thought of their presentation of the proposal to build up to 70 houses behind Green Park Way.

If there were any promises made or interesting points discovered during your visit please let us know.

Replies as soon as possible please but no later than Thursday 22nd October by email if possible to:  
or phone 07875 536843  
or phone 07762 425310

Your replies will help our response reflect the overall village view. If you intend to reply direct to Acorn Property Group with a personal viewpoint, a copy of your response would be very useful and most appreciated.

Many thanks
