**CHILLINGTON ONLINE PETITION**

Chillington Online Petition. CHAT is now considering producing its own "Online Petition" to stop the building of any further houses on the Greenfield Sites surrounding our village. With over 540 houses Chillington is now the largest village in Stokenham Parish. We know from the Village Survey carried out in September that a clear majority of residents do not want any more houses built in or around the village.

Any thoughts, ideas or eye catching headlines by email to Mick Garrod as soon as possible please.
